Summary

I am a web developer with strong problem-solving skills and a passion for technology. I am an avid and quick learner and a team player. I work with small companies and Fortune 500 companies to help build and secure their web-based platforms.

Technical Skills

HTML5 ● CSS ● Javascript ● jQuery ● Node.js ● OOP ● SQL ● VS Code ● Microsoft Office

Projects

Paw Pair: Paw Pair is a simple, fun tool for getting matched with your perfect pet companion. Skip the busy, hard to use pet finding websites and try this simple, delightful quiz tool instead. A joint project with Josh Taylor, Amanda Nguyenn, and Aurora Duncan.

- **HTML5, CSS, JavaScript, jQuery**
